chimneys; central hall plan, excellent original interior
woodwork. Built mid 18th c. (1739 date stone in W eleva-
tion, probably a later addition); two-and-a-half-story
random rubble kitchen wing added to E before 1825; one-
story semicircular Doric portico added to S (front) eleva-
tion. Well-preserved example of prosperous English Quaker
house with fine original interior woodwork. 1 ext. photo
(1959), 4 int. photos (1960). NR. See also Philip Rogers
Barn (PA-114A).
